

PowerSchool 14K State Reports

Start Page > System Reports > Reports (State Reports)

14K Start Dates: For the start dates for these reports you will want to use your first day of school or the earliest date you entered for your summer withdraw students (07/01/2013) and for the end date you will want to use the end of the October reporting period (01/25/2014). ****This date is subject to change****

For the GE and FE report for October your start date should be 6/1/2013 and your end date should be 12/01/2013 these would be the dates from the EMIS manual for this record type.

If you have CJ records in the EMIS-FFE system, remember to load those into the data collector for 14K reporting
