### **Activity Description and Objectives:**

Open forum to discuss web based NWEA MAPS+. Xenia schools conducted this testing district wide and obtained a wealth of information concerning set up and execution of these tests. Xenia performed these tests in numerous environments and in each of their 8 buildings, elementary through high school. Testing was conducted in a wireless environment in both classroom and “test center” settings utilizing both Apple and PC platforms. Xenia staff would like to share their experiences, problems and resolutions with NWOCA and its customers.
