

PDF Command

NWOCA has a program that will convert a .txt file to a .pdf and email it to the address entered in.

At the Menu prompt type in PDF and then the filename.

MENU> **PDF BUDSUM.TXT**

Enter email address to send to <GLORE@NWOCA.ORG> <enter>

If the filename is not known you may type in PDF and hit enter, this will list all .TXT files in the account you are logged into. You will then have to type in the filename you want followed by the email address.

You may enter more than one address in, seperating them by a comma ", "

MENU>PDF BUDSUM.TXT

Enter email address to send to:<GLORE@NWOCA.ORG> GLORE@NWOCA.ORG, DREWES@NWOCA.ORG
